¹ Documents issued in the RD series are not official WTO documents. They usually appear in their language of submission and will not be translated systematically into the working languages of the WTO. They are intended for use in WTO meeting rooms and are attributed an unofficial symbol for archiving purposes only.

Les documents de la série RD ne sont pas des documents officiels de l'OMC. Ils ne paraissent généralement que dans la langue dans laquelle ils ont été communiqués et ne seront pas systématiquement traduits dans les langues de travail de l'OMC. Ils sont destinés aux salles de réunion de l'OMC et une cote non officielle leur est attribuée à des fins d'archivage.

Los documentos de la serie RD no son documentos oficiales de la OMC. Por lo general se distribuyen en el idioma en que han sido presentados y no se traducen sistemáticamente a los idiomas de trabajo de la Organización. Se distribuyen para su uso en las salas de reunión de la OMC y se les asigna una signatura no oficial a efectos de archivo únicamente.

Thematic Session on African Swine Fever SPS Committee

Isabel Calderón, SPS team, WTO Secretariat

Geneva, 23 March 2021

RELEVANT PROVISIONS OF THE SPS AGREEMENT AND WORK OF THE SPS COMMITTEE

Thematic Session on Regionalization, July 2017

Relevant provisions of the SPS Agreement

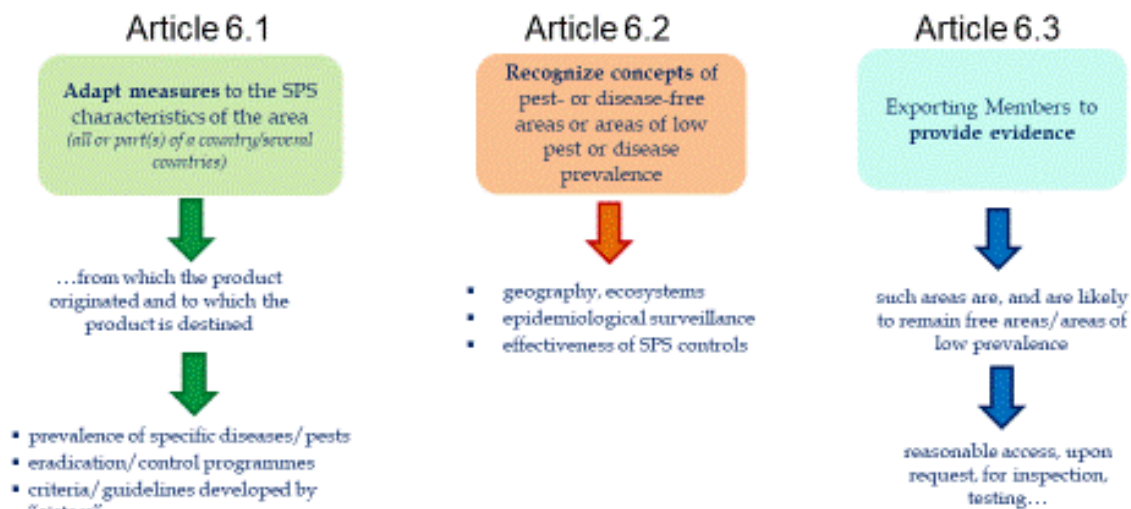

Relevant provisions of the SPS Agreement

SPS Agreement and regionalization

Article 6: Adaptation to Regional Conditions, Including Pest- or Disease-Free Areas and Areas of Low Pest or Disease Prevalence

SPS Agreement and regionalization

Article 6: Adaptation to Regional Conditions, Including Pest- or Disease-Free Areas and Areas of Low Pest or Disease Prevalence

SPS Agreement and regionalization

Annex A – Definitions (Note to Annex A.6)

- **may surround, be surrounded by, or be adjacent to an area**
 - *whether within part of a country or in a geographic region which includes parts of or all of several countries –*
- **in which a specific pest or disease is known to occur**
- **but** is subject to regional control measures which will confine or eradicate the pest or disease

Guidelines to further the practical implementation of Article 6 of the SPS Agreement

G/SPS/48, May 2008

Guidelines on Regionalization (G/SPS/48)

I. General considerations (paras. 4-12)

II. Initial discussions (paras. 13-18)

III. Typical administrative steps in the recognition process (paras. 19-31)

IV. Expedite process (para. 32)

V. Monitoring (paras. 33-35)

Guidelines on Regionalization (G/SPS/48)

I. General considerations

- The recognition process of pest- or disease-free areas or areas of low pest or disease prevalence should:

- Aspects to be considered/taken into account:

- The importing Member should provide, upon request from the exporting Member:

Guidelines on Regionalization (G/SPS/48)

II. Initial discussions

Discussions should, *inter alia*, clarify:

- General process
- General information required
- Process of information exchange (contact point and language)
- If possible, an anticipated timeframe

Discussions within reasonable period of time, and normally within 90 days of a request or as otherwise mutually decided

Guidelines on Regionalization (G/SPS/48)

II. Initial discussions

- Clarifications appropriately recorded by importing Member, and transmitted to exporting Member
- If importing Members has limited resources, discussions may be postponed for a reasonable amount of time, taking into account, *inter alia*:

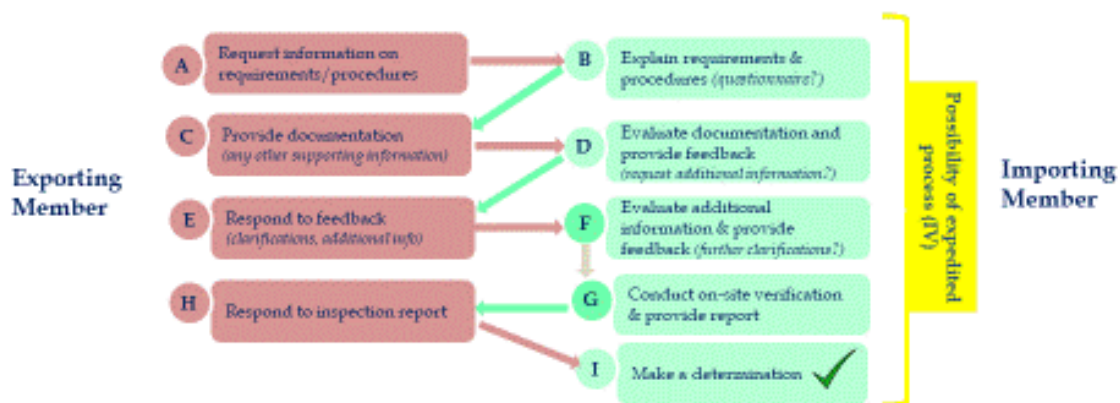

- If discussions postponed, the importing Member should inform the exporting Member and provide an explanation in writing

Guidelines on Regionalization (G/SPS/48)

III. Typical administrative steps in the recognition process

"...Members have the sovereign right to **determine their own processes** for the evaluation of requests for recognition of pest- or disease-free areas"

Guidelines on Regionalization (G/SPS/48)

III. Typical administrative steps in the recognition process

"...Members have the sovereign right to **determine their own processes** for the evaluation of requests for recognition of pest- or disease-free areas"

Guidelines on Regionalization (G/SPS/48)

V. Monitoring

- Members are encouraged to provide information on:

- Requests for recognition of areas
- Determination of recognition of areas
- Experiences in the implementation of Article 6

- Annual report prepared by the Secretariat (most recent report - [G/SPS/GEN/1777](#))
